Instructions to Reviewers:

1. All individuals reviewing this application are required under 35 USC 181 to sign and date this form regardless of whether they are making a secrecy order recommendation.
2. The attached copy of the application, any copies made therefrom and this form must be returned to the PTO once a recommendation not to impose secrecy has been made or a secrecy order has been rescinded.

Time for Completion of Review:

Pursuant to 35 U.S.C. 184, the subject matter of this application may be filed in a foreign country for the purpose of filing a patent application without a license any time after the expiration of 6 months from filing date unless the application becomes the subject of a secrecy order.

The USPTO prohibits patent applications at 18 months from the earliest date of filing, and the USPTO will delay the publication of an application until it is available to the public. Under 35 USC 181, an application must be made available to the public within 90 days from the date of referral to the agency. This application will be deemed to be published 6 months from the filing date or 90 days from the above "Date Referred" date, whichever is later, unless a response is provided to the USPTO regarding this recommendation as to the imposition of a secrecy order.
